**Included in this Bulletin: Updates to Initial Disclosures**

---

Mountain West Financial, Inc. is updating its privacy policies and consequently its initial loan disclosure packages effective September 23, 2019. Beginning on that date, borrowers will be notified of their right to opt-out of some information sharing for marketing purposes. Those that obtain their disclosure packages by e-sign will be able to make their elections immediately. Those that don't will have to mail in their elections. We are also updating our RESPA Affiliate Disclosure on that same date.

The document package changes are as follows: updated privacy notices (federal and state), and an updated affiliate disclosure form.

If you have any questions regarding this change, please contact Brian Daily at 909-255-8332.
