**Included in this Bulletin: GSFA Open Doors and UHC DACA Status Acceptance**

---

Effective immediately, Golden State Finance Authority (GSFA) Open Doors and Utah Housing Corporation (UHC) programs are accepting DACA status recipients for their FHA loan programs.

The following FHA requirements remain in effect for all potential borrowers including DACA status recipients:

- The property will be the borrower's principal residence.
- The borrower has a valid Social Security Number (SSN), except for those employed by the World Bank, a foreign embassy, or equivalent employer identified by HUD.
- The borrower is eligible to work in the U.S., as evidenced by the Employment Authorization Document issued by the USCIS; AND
- The borrower satisfies the same requirements, terms, and conditions as those for U.S. Citizens.

The Employment Authorization Document is required to substantiate work status. If the Employment Authorization Document expires within one year and a prior history of residency status renewal exists, you may assume that continuation will be granted. If there are no prior renewals, you must determine the likelihood of renewal based on the information from the USCIS. All other requirements per FHA's 4000.1 still apply.

Mountain West Financial is proud to continue offering a great selection of affordable housing solutions and keeping you up to date with the housing agency changes. Look for future announcements once other Housing Finance Agencies and their Master Servicers make determinations on DACA status for their FHA programs.
