Included in this Bulletin: VA Form 26-0592 Form

Each active-duty service member who applies for a VA-guaranteed home loan must be counseled through the use of VA Form 26-0592, Counseling Checklist for Military Homebuyers. VA Form 26-0592 has been updated to include information pertaining to recent changes in VA home loan policy and law. Specifically, the checklist now explains how Veterans with a pre-discharge claim pending can pursue an exemption from the VA funding fee. It also includes direction for active-duty service members awarded the Purple Heart to provide documentation of the award to be considered for VA funding fee exemption.

Effective immediately please use the revised form 26-0592 dated December 2021.
