Included in this Bulletin: FHA Forbearance Guidance – COVID-19

To maintain the stability of the Mutual Mortgage Insurance Fund (MMIF), while concurrently aiding the housing market generally, FHA is expanding its underwriting guidelines to address Housing Obligations/Mortgage Payment History requirements for borrower who were granted Forbearance and are seeking new FHA insured financing.

In addition to current guidance, the following guidance must also be adhered to, effective immediately.

TOTAL SCORECARD

Housing Obligations/Mortgage Payment History

A Borrower who was granted a Mortgage Payment Forbearance and continues to make payments as agreed under the terms of the original Note is not considered delinquent or late and shall be treated as if not in forbearance, provided the Forbearance Plan is terminated at or prior to closing.

Late Mortgage Payments for Purchase or No Cash Out Refinance

Mortgage must be downgraded to a Refer and manually underwritten if any mortgage trade line, including mortgage line of credit payments, during the 12 months prior to case number assignment reflects:

- That the borrower has made less than 3 consecutive payments since completion of a mortgage forbearance plan.

A mortgage that has been granted forbearance must utilize the payment history in accordance with the Forbearance Plan for the time period of forbearance in determining late housing payments. Where any mortgage in forbearance will remain open after the closing of the new FHA insurance mortgage, the Forbearance Plan must be terminated at or prior to closing.

Any Borrower who is granted a forbearance and is otherwise performing under the terms of the Forbearance Plan is not considered to be delinquent for purposes of credit underwriting.

Cash Out Refinance Transactions

The Mortgage must be downgraded to a Refer and manually underwritten if any mortgage trade line, including mortgage line of credit payments, reflects:

- A current delinquency;
- Any delinquency within 12 months of the case number assignment date; or
- The borrower has made less than 12 consecutive monthly payments since completion of a mortgage forbearance plan.

A mortgage that has been modified must utilize the payment history in accordance with the modification agreement for the time period of modification in determining late housing payments.

Where a Borrower who was granted a mortgage payment forbearance and continues to make payments as agreed under the terms of the original note, the Mortgage is not required to be downgraded to a Refer provided the Forbearance Plan is terminated at or prior to closing.
