**Please take a moment to read the important information contained in this bulletin.**

### **Included in this Bulletin: Hybrid Closings at MWF**

Mountain West Financial is dedicated to giving you tools and procedures that enable you to be the best that you can be, elevating your game, and giving you the power to close your loans on time. Mountain West Financial will be standardizing our closing process and is excited to offer Hybrid Closings to our Broker customers. With Hybrid Closings we have streamlined the closing process, so your homeowners have the option to review and sign a portion of their closing documents prior to attending their closing, allowing them to have less documents to live sign at their appointment. Closing in this manner sets us up for a more efficient, cleaner, faster close and a better customer experience.

Effective with all new loan documents issued on or after 8/1/2021.
